

Young Leaders Conference

Nashville, TN

Feb 12 & 13, 2010

The Tennessee Young Leaders' Conference brings together more than 250 participants from across the state. The conference is sponsored by Tennessee Council of Cooperatives and the Tennessee Farm Bureau Federation. Those who attend this conference are exposed to ideas and information that may enable them to add value to their own businesses, form new niche cooperatives with others in their communities, and meet current and future challenges with cooperative marketing innovations.

Most cooperatives serve predominantly rural areas. Therefore attendees represent the heart of Tennessee and come from counties spanning the state. This presents a prime opportunity for you to reach these individuals and the groups they represent. This event has included a trade show for council members and service agencies for many years. A limited number of booths will be offered to companies wanting to build relations with customers in this market while supporting the young leaders of Tennessee.

The 2010 Tennessee Young Leaders' Conference will be held February 12 & 13 at the Sheraton Music City Hotel in Nashville. If you would like to exhibit, complete the form below and return it to Roberta Smith. Booth space will be \$200 and includes six foot table, chair and electricity if requested. Tennessee Council of Cooperatives is a non-profit organization. Participation in this trade show may be tax deductible as proceeds are used for educational programs and scholarships.

Feel free to contact me with any questions you may have.

Sincerely,

Dan Strasser
